

Notice on the Publication Date for Final Audited Accounts:

The publication date for Final Audited Accounts for this Parish Council has been moved by the government from 30th September for this Parish Council to 30th November 2020.

Also to give local authorities more flexibility, the requirement for the public inspection period which is normally the first 10 working days of July for this Parish Council has been removed.

Instead this Parish Council must commence the public inspection period on or before the first working day of September 2020. This means that the draft accounts must be approved by 31 August 2020 at the latest and the public inspection period for this Parish Council will commence on 1st September 2020 and end on 15th September 2020.

The government has recommended that all local authorities provide public notice on their websites as to when the public inspection period would usually commence and explaining why this Parish Council is departing from normal practice for the 2019/20 accounts.

The regulations implementing these measures were laid on 7 April 2020 and came into force on 30 April 2020. The regulations and supporting documents are on the legislation.gov website <http://www.legislation.gov.uk/uksi/2020/404/contents/made>
